

Cummings School of  
Veterinary Medicine

Now is a great time to...

get out your warm woolies,

step up your  
indoor workouts,

**and [make a gift to the Cummings Veterinary Fund.](#)**

Dear Alumni,

Unrestricted gifts to the Cummings Veterinary Fund support our ongoing excellence in academics, clinical practice, community outreach, and research. Alumni giving is an indicator of how much you value your education. In the current challenging economic environment, this can strongly influence funding decisions made by foundations and other granting organizations to the veterinary school -- and therefore our future.

The Veterinary 25 Club is a wonderful way to honor your veterinary education, support Cummings' work today, and secure a strong future. To join, make a tax-deductible gift to the Veterinary Fund of \$25 for every year since you graduated.

Please visit [www.tufts.edu/givenow](http://www.tufts.edu/givenow) to give online.

Or make your check payable to "Trustees of Tufts University" and mail to:

Cummings School of Veterinary Medicine

200 Westboro Road

N. Grafton, MA 01536

Your annual gift is critical to our success. Please know that each gift is deeply appreciated and carries benefits far beyond the boundaries of the Cummings School.

Also visit [www.cummingsfuture.com](http://www.cummingsfuture.com) to watch "Cummings' Future" video and see how your gifts are transforming the school.
